3-D MODELING AND RENDERING

3DMedia Network

644 Central Avenue
Needham MA 02494
3dmedianetwork.com
781-449-1523
Yehuda Inbar
yehuda@3dmedianetwork.com

3DMedia Network specializes in 3-D modeling, renderings, animation, and web design and development for architects, construction builders, real-estate developers and other corporations. The company's combined experience in new media and architecture ensures that, whatever the project requirements, it can meet clients' goals.

JARD

7 Central Street
Arlington MA 02476
Jard3d.com
617-413-0923
Don Fienman
don@jard3d.com

JARD produces architectural models using a full-color 3-D printer. The company can work from existing CAD files or create 3-D files using supplied data.

MicroCAD Training & Consulting

440 Arsenal Street
Watertown MA 02472
microcad3d.com
518-280-1024
Agustin Fernandez
mtcinfo@microcad3d.com

Providing complete solutions for CAD since 1987, MicroCAD Training & Consulting specializes in Autodesk software solutions, classroom and custom CAD training, networking and CAD implementation, computer workstations, visualization and 3-D rendering services. MicroCAD is a leading Autodesk value-added reseller and premier Autodesk Training Center headquartered in Watertown MA and operating in seven regional offices.

Munson3d

35 Alpine Street
Arlington MA 02474
munson3d.com
781-309-8201
David Munson
david@munson3d.com

Skilled 3-D craftsmanship defines the work at Munson3d, where David Munson personally delivers custom, high-quality architectural visualizations (virtual or physical) via 3-D printing techniques. Munson links the virtual and physical with BIM-driven projects, producing renderings, animations (Max Design) and physical models (Z-Print).

Scott Design

6 Spring Rock Road
Branford CT 06405
scott-design.net
203-488-3243
Ian Scott
scottdesign@comcast.net

Scott Design provides quality 3-D modeling services to residential and commercial architects, engineers and contractors. Scott Design uses the most current software to produce high-quality, comprehensive 3-D models.

Tangram 3DS

21 Rogers Road, Suite 1
Kittery ME 03904
tangram3Ds.com
207-439-9500
Stefan Vittori
svittori@tangram3ds.com

Just an hour north of Boston, Tangram 3DS is an internationally recognized computer graphics and 3-D visualization and animation company that specializes in customized multimedia solutions for design visualization, presentation and marketing needs. Services include 3-D modeling, visualizations, animations, video editing and photo montages for multimedia presentations in the fields of architecture, interior design, engineering, yacht and boat design, industrial and product design, and furniture and millwork design.

Tocci Building Companies

660 Main Street
Woburn MA 01801-8400
tocci.com
781-935-5500
Richard J. Lampman
rjlampman@tocci.com

Tocci Building Companies provides world-class construction-management services by understanding owners' and designers' objectives and consistently delivering unequalled cost, schedule, quality and operational performance. Tocci is a national leader in the application of building information modeling (BIM); virtual design and construction (VDC) and fully integrated project delivery (IPD), serving the needs of commercial, corporate and institutional clients in the Northeast since 1922.

ACCOUNTING/FINANCIAL

Hamilton Management Solutions
402 Vintage Hill Circle
Apex NC 27539-5106
hamiltonmanagementsolutions.com
919-601-5294
Marcylene Esformes
mesformes@hamiltonmanagementsolutions.com

Hamilton Management Solutions provides customized training, management consulting and executive recruiting to the property management, homebuilding and real-estate industries. With more than 60 years of collaborative industry experience, HMS's leadership team provides the resources necessary to maximize value and drive business results.

ACOUSTICAL CONSULTANTS

Acoustonica
99 Pond Avenue, D216
Brookline MA 02445
acoustonica.com
972-250-6647
Walid Tikriti
wtikriti@acoustonica.com

Acoustonica provides services in architectural acoustics, audio-visual systems, security and surveillance, information technology, broadcast, mechanical noise and vibration, environmental and industrial noise and corporate aviation. Located in Dallas, Boston and Dubai, the company has experience in corporate, educational, casino, hotel, performing-arts, theater, religious and sporting-facility projects.

Shannon Corporation
329 Boston Post Road
Sudbury MA 01776
shannoncorporation.com
978-443-4911
William L. Shannon CSI, CISCA
wls@shannoncorporation.com

Shannon Corporation serves as consultants and representatives of unique specialty interior and exterior commercial architectural products and systems.

ADA COMPLIANCE AND UNIVERSAL DESIGN

Adaptive Environments
200 Portland Street #1
Boston MA 02114
adaptiveenvironments.org
617-695-1225

Adaptive Environments provides consultation services about accessibility and universal design in a wide range of built environments. Services range from analysis of existing conditions and strategic planning to working collaboratively on design teams for both new construction and renovation. The company specializes in clarifying legal and code requirements for accessibility and recommending best practices from a universal design perspective, drawing on an extensive knowledge of international design solutions.

DESIGN, Inc.
8 Cornelius Way
Cambridge MA 02141
designinonline.com
Joanne Breiner

DESIGN, Inc. is a W.B.E.-certified environmental graphic design firm, offering the highest quality of professional collaboration.

Kessler McGuinness & Associates
1121 Washington Street
Newton MA 02465
kmaccess.com
617-641-2802
Katherine A. McGuinness Assoc. AIA
kmcguinness@kmaccess.com

Kessler McGuinness & Associates is a leading, national specialist in accessibility planning. In addition to architectural assessments, KMA facilitates and supports complex decisions integrating mission, policies, programs, resources and compliance. The company has extensive experience in access issues related to architecture, civil rights, industrial design, planning and gerontology.

AFFORDABLE HOUSING LENDERS

MassHousing

One Beacon Street
Boston MA 02108-4805
mhfa.com
617-854-1000
Diane Georgopoulos FAIA
dgeorgopoulos@masshousing.com

MassHousing is the state's affordable-housing bank, lending money at rates below the conventional market to support affordable rental and homeownership opportunities for low- and moderate-income residents of Massachusetts. MassHousing relies on private nonprofit and for-profit developers and management companies to build and operate the rental housing that it finances. The agency also partners with an extensive network of approved lenders to deliver its home-mortgage programs to first-time homebuyers.

AUDIO/VISUAL CONSULTANTS

Acentech

33 Moulton Street
Cambridge MA 02138-1118
acentech.com
617-499-8060
Carl J. Rosenberg
crosenberg@acentech.com

Acentech consults in architectural acoustics, noise and vibration control, telecommunications and the design of sound, and audiovisual and sound-masking systems. Since 1948, architects and engineers have turned to the company for comprehensive consulting services for corporations, schools, laboratories, performance halls and more.

Audio Video Design

170 Needham Street
Newton MA 02464-1506
avdesigns.com
617-965-4600
Beth Desjardins
bdesjardins@avdesigns.com

Architects, builders and interior designers choose Audio Video Design for home entertainment and technology that blends seamlessly with décor. With more than 35 years of experience, the company has a reputation for reliability and exceeding expectations.

Avix

75 Perseverance Way, Suite 1
Hyannis MA 02601-1816
avixllc.com
508-428-1199
Rusty MacDonald
rmacdonald@avixllc.com

Avix is a systems-integration company specializing in high-profile, marquee homes. Services run the gamut from basic TV installation to over-the-top home theaters to complex control of multiple subsystems within a structure. Consultations are free.

Cavanaugh Tocci Associates

327 F Boston Post Road
Sudbury MA 01776
cavtocci.com
978-443-7871
Bill Elliot
welliot@cavtocci.com

For more than three decades, Cavanaugh Tocci Associates has provided consulting services in architectural, industrial, environmental and sound system acoustics, and building vibration analysis. The company consults on diverse projects, including academic, residential, commercial, religious and performance venues.

Communications Design Associates

437 Turnpike Street
Canton MA 02021
cdaconsultants.com
781-551-8490
