

1. **Introduce yourself: What's your name and what would you like us to know about you?**
  1. **Triumph Modular, we are a volumetric general contractor operating in New England, interested in triple decker projects in capacity of General Contractor, Construction Mgr, Developer.**
2. **Tell us your idea: What input or ideas for a future-decker or other housing types would you like to share?**
  1. **Built in a factory, built as complete as possible from modular factory, using local existing factory, I would like to expedite in assisting to build triple deckers and projects.**

I also wanted to note, we are a general contractor not a modular factory

Thank you,
